## How to Spa

### Check-in

When you arrive at Chuan Spa please inform our Spa Concierge if you have any health concerns. We recommend arriving 45 minutes prior to your scheduled treatment time in order to shower and enjoy the therapeutic benefits of our wet facilities - herbal steam room, sauna, ice experience, spa pool and swimming pool. While we will always try to accommodate your treatments, late arrival will mean a reduction in your treatment time due to prior bookings.

### Etiquette

Mobile phones, while a necessary part of modern living are not permitted in any of our treatment rooms or relaxation lounges. In all other areas, please be considerate of other guests and switch them to silent mode.

### Minimum Age

The Spa and Health Club areas are only available for guests 16 years and over.

### Spa Wear

We provide disposable underwear for your privacy and our therapists will advise you on their usage. They should be worn during water based treatments- our therapists are fully trained to drape you to protect your privacy at all times.

### Health

If you are pregnant or have any other condition that you feel we should be aware of, please inform the Spa Concierge and your therapist- thank you. Our therapists are fully trained to ensure your treatments are some of the best you will experience. However, please inform them at any time if you are uncomfortable or require anything else during your treatment.

### Valuables

We recommend you leave all valuables in your room or at home. Chuan Spa will not assume liability for any valuables.

### Other

Gambling and smoking within Chuan Spa, Health Club or pool area is strictly prohibited. The therapist reserves the right to terminate the treatment if he/she feels the guest's behaviour is inappropriate.

### Chuan Cancellation Policy

24 hours notice must be given to cancel or amend any reserved treatment. If less than 24hrs 50% of the full treatment fee will be levied. No shows incur the full treatment fee. All packages and products are non refundable.
